| Memorial Day Long Weekend  | Sun, May 24th 2026 |  |
| Last Session               | Sun, Jun 14th 2026 | School Year Ends   |

The Rising Star Math Camp program focuses on the MathCounts Curriculum to introduce mathematical concepts and strengthen mathematical intuition using the following activities:

- ★ Problem exercises
- ★ A review of the concepts and fundamentals behind the problems
- ★ Kids will learn to present their solutions in a group setting

Mathcounts is a math competition program for middle school students in grades 6 through 8. Students in 5th grade (to get a head start) and 9th grade (to catch up) are also encouraged to participate. Math Camp uses Google Meet, Google Drive, and Microsoft Whiteboard tools for the Classes, and a WhatsApp group for communication.
